The Australian Institute of Packaging (AIP) and the Australian Packaging & Processing Machinery Association (APPMA), are pleased to advise that they have established the Packaging & Processing Innovation and Design Awards (PIDA) for Australia that will recognise companies and individuals who are making a significant difference in their field.

The Design Innovation of the Year company awards will recognise organisations that have designed innovative packaging and processing materials, innovative packaging and processing machinery/equipment within each of these four manufacturing categories:

1. Food. 2. Beverage. 3. Health, Beauty & Wellness. 4. Domestic & Household.

In each of these four categories there will be an award given for: 1. Materials & Packaging and 2. Packaging Machinery/Equipment.

In addition there will be two company awards available for all nominees within each of the four award categories: 1. Sustainable Packaging & Processing Award and 2. Save Food Packaging & Processing Award.

The Individual awards will recognise people whose have made specific contributions to the packaging and processing industry. These Individual Awards will include:

1. Young Packaging & Processing Professional of the Year.
2. Industry Packaging & Processing Professional of the Year
3. The APPMA Scholarship which offers one person the opportunity to enrol in the Diploma in Packaging Technology; an internationally recognised and accredited course.

The PIDA Awards will be the exclusive award program for all Australian entries into the prestigious WorldStar Packaging Awards.

1. DESIGN INNOVATION OF THE YEAR AWARD – FOOD CATEGORY **(DOWNLOAD SUBMISSION FORM)**

The Design Innovation of the Year Award - Food Category will recognise organisations that have designed innovative packaging and processing materials, packaging and machinery/equipment within food packaging and processing including fresh, frozen or other.

It is recommended that the submissions showcase an innovative solution designed either in collaboration for an existing customer or market. Judges will look for entries that display innovative – design and thinking, technology and/or material use; benefit to consumers; functional and /or convenient elements. They will also take into account design and cost elements between standard packaging and premium/promotional packaging.

The Food Category will have two winners: 1. Materials & Packaging and 2. Machinery/Equipment.

The criteria and judging will be different for Materials & Packaging and Machinery/Equipment. This is a WorldStar Awards category.

2. DESIGN INNOVATION OF THE YEAR AWARD – BEVERAGE CATEGORY **(DOWNLOAD SUBMISSION FORM)**

The Design Innovation of the Year Award – Beverage Category will recognise organisations have designed innovative packaging and processing materials, packaging and machinery/equipment within packaging and processing for liquid or dry tea, coffee, water and soft drinks including wine, beer and spirits.
