DESIGN INNOVATION OF THE YEAR AWARD – HEALTH, BEAUTY & WELLNESS CATEGORY

The Design Innovation of the Year Award – Health, Beauty & Wellness Category will recognise organisations that have designed innovative packaging and processing materials, packaging within cosmetics, toiletries, personal hygiene, supplements, vitamins, perfumes, hair body and oralcare.

This award will also cover packaging and processing of all medicines including over the counter medicines, medical equipment packaging. It is recommended that the submissions showcase an innovative solution designed either in collaboration for an existing customer or market. Judges will look for entries that display innovative – design and thinking, technology and/or material use; benefit to consumers; functional and /or convenient elements. They will also take into account design and cost elements between standard packaging and premium/promotional packaging. This is a WorldStar Packaging Awards category.

Please consider nominating for other relevant categories at the same time for the same innovation within the 2020 PIDA Award Special Award Categories. e.g. Sustainable Packaging Design, Save Food Packaging Design, Accessible Packaging Design and Labelling & Decoration. The Special Award categories will be judged independently and based on specific criteria.

CRITERIA 1. PACKAGING DESIGN

Packaging that demonstrates originality and creativity with graphics, decoration, shape and structure. Design which links packaging with a brands heritage.

In this category the judges will be looking for:

- Outstanding structural creativity.
- Quality of artwork.
- Use of images, colour and texture.
- Creative use of brand heritage.
- How the design adds value to the brand.
- How export markets have influenced design.

CRITERIA 2. PACKAGING FUNCTIONALITY

Packaging that demonstrates superior functionality traits such as, antimicrobial properties, increased shelf life, design for dexterity challenges including supply chain enhancements such as improved logistics, traceability and, active and intelligent packaging.

The judges will be looking for:

- Innovation in functional design which solves problems for which no or few solutions currently exist e.g. in the area of improved design for dexterity challenges.
- How the enhanced functionality adds value to the brand.
- How improved functionality e.g. increased shelf life can demonstrate less product wastage versus standard package.
- How use of smart and intelligent packaging technology has positively impacted the functionality of the packaging e.g. spoilage indicators.

CRITERIA 3. PROCESSING INNOVATION

Use of new technologies, products, materials, services or processes resulting in changes to the previously designed packaging or packaging format, providing a beneficial enhancement in the supply chain.

In this category the judges will be looking for:

- Entries where packaging equipment and/or processes have been modified to take advantage alternative raw materials.
- Implementation of new technologies to improve reduce overall packaging material required e.g. lightweighting.
- Where collaborative partnerships between distributors, producers and packaging manufacturers has driven process improvements to avoid packaging waste.
- Following a life-cycle analysis or carbon footprint examination of the previous design to use resources more efficiently and to reduce transport related CO₂ emissions.
- Detail any smart and intelligent technologies e.g. time/temperature indicators and RFID technologies to improve inventory control & prevent wastage.

CRITERIA 4. SUSTAINABLE PACKAGING DESIGN CONSIDERATIONS

With all manufacturers working towards meeting the 2025 National Packaging Targets now is the time to be designing innovative packs that show your commitment to sustainable packaging and the targets. Please indicate what your packaging changes have been to meet the targets of '100% of all Australia's packaging to be reusable, recyclable or compostable by 2025.' It is also expected that 30% average recycled content will be included across all packaging by 2025 and problematic and unnecessary single-use plastic packaging will be phased out through design, innovation or introduction of alternatives.

2020 DESIGN INNOVATION OF THE YEAR AWARD HEALTH, BEAUTY & WELLNESS CATEGORY CRITERIA

AUSTRALIAN AND/OR NEW ZEALAND PACKAGING DESIGN & INNOVATION

All entrants must confirm that the design submitted has been either developed in Australia and/or New Zealand and the packaging/product will be commercially available from April 2019. First entry will cost \$200 + GST with additional category entries costings \$50 + GST per entry.

JUDGING

The PIDA Award judges are all leading experts in the field and have long-standing expertise in this field. All entrants understand that the judges will hold the final decision on the winner and no correspondence will be entered into on the subject of their decision. Finalists will be announced before the 2020 PIDA Awards gala dinner.

SAMPLE PRODUCT-PACKAGING SYSTEM/FORMAT

It is a mandatory requirement that all entries submitted must include physical and soft copy samples of the packaging; including any Before and After samples. All entrants understand that once the sample has been submitted that they become the property of the Australian Institute of Packaging Inc. The samples will not be returned to the entrant unless the entrant incurs all costs associated with the return delivery.

Samples to be mailed to: 2020 PIDA Awards, 34 Lawson Street, OXLEY, Queensland, Australia 4075. If entries reflect design innovation change to an existing product/package it is essential to provide judges with samples of both formats. Images at minimum are required for Before and After re-designs.

Frozen, Chilled and Short shelf life samples – should be clearly identified to indicate this and forwarded in protective packaging and conditions. Arrangement to the AIP Australasian Office should be made for the best timing for these packs to be sent so judges will view the product in optimal conditions.

PROPRIETARY INFORMATION

Should your submission include any proprietary information on your packaging design systems please ensure that you mark that section with 'private and confidential' so that the judges understand that the information provided is for the sole purpose of evaluating the submission.

PROMOTIONS & MARKETING

The AIP, Packaging New Zealand and the WPO reserves the right to publish details of the winners of the PIDA Awards on websites, trade magazines, at tradeshow and on-line media outlets, nationally and internationally, to acknowledge the winners and raise the profile of the award program.
