

2021 GLOBAL PACKAGING FORUM @PROPAK ASIA

15-17 SEPTEMBER 2021

VIRTUAL EDITION

#2021GPF #2021globalpackagingforum

PROGRAM

2021 Global Packaging Forum: Virtual Edition continues with three more sessions in September

Coming off the back of the successful first session of the 2021 Global Packaging Forum: Virtual Edition which was held in June three more sessions will be offered on the 15 to the 17th of September.

Each session will bring together expert global presenters from all over the world including Thailand, Turkey, Austria, Indonesia, Germany, Thailand, Australia, The Netherlands, Japan, Singapore and the United Kingdom who will be discussing three topics: Reduce, Recycle and Reuse your packaging.

Session #2: 15 September

Session #3: 16 September

Session #4: 17 September

The third annual 2021 Global Packaging Forum is run by the Australian Institute of Packaging (AIP), in conjunction with Informa Markets, and supported by the World Packaging Organisation (WPO).

All Attendees will attain 1.5 CPD points per session towards the global Certified Packaging Professional designation.

ALL OF INDUSTRY IS INVITED TO ATTEND SO BOOK YOUR PLACE TODAY.
