

2024 GLOBAL PACKAGING FORUM @PROPAK ASIA

— DAY 1: WEDNESDAY 12 JUNE • SILK 2-4 —

**29 SPEAKERS
FROM 18
COUNTRIES**

Organised by Informa Markets & the AIP, the 6th edition of the largest packaging conference at ProPak Asia annually will bring together 29 speakers from 18 countries to discuss the future of Sustainable Packaging Design, Global Packaging Design standards and the roadmap for developing a strong circular economy of packaging across the world.

Topics to be discussed will include Global, Regional & Local State of Industry packaging updates, global packaging design standards and harmonisation, European PPWR, CSRD and ESRS regulations and reporting, EU State Members updates, country trends and innovations in packaging design, digitisation, traceability and authentication, food packaging and how to find the balance between packaging and food waste targets within design, current state of recycling and reprocessing including chemical and advanced recycling, product stewardship and away from home collection programs, fibre and paper and pulpability thresholds and more. Come and hear from leading experts from Australia, Austria, Brazil, China, Czech Republic, Finland, Israel, Italy, Lebanon, Singapore, Thailand, Turkey, the Netherlands, the Philippines and the United States of America. All AIP packaging forums are internationally recognised and approved to attain Certified Packaging Professional (CPP) points.

2024 GLOBAL PACKAGING FORUM @PROPAK ASIA

DAY 1: WEDNESDAY 12 JUNE 2024 • SILK 2-4

TIME: 10.30 am to 11.20 am **SESSION 1: Global & Local Packaging State of Industry Updates**

Luciana Pellegrino

President - World Packaging Organisation (WPO)
General Manager - ABRE Brazilian Packaging Association

Nerida Kelton FAIP

Vice President - Sustainability & Save Food - WPO
Executive Director - AIP

Riccardo Cavanna

President - UCIMA
Chairman & Lead Strategist - Cavanna

LTC Joseph Ross Jocson

President
Asian Packaging Federation (APF)

This session will discuss the global state of industry for packaging, packaging waste regulations, Extended Producer Responsibility and harmonised Sustainable Packaging Design standards. The discussion will cover global, European and Asian perspectives.

TIME: 11.20 am to 12.00 noon **SESSION 2: Sustainability & Packaging Innovations through Continental & Country Based Perspectives**

Antro Säilä

President - European Packaging Consortium (EPIC)
Managing Director - Finnish Packaging Association

Ernst Krottendorfer

Managing Partner - Circular Analytics
Austrian WPO Board Member

Iva Werbynská

Director - Czech-Slovak Packaging Institute SYBA
WPO Board Member

Dr Shira Rosen MAIP, CPP

Chairwoman - Israeli Packaging Institute
WPO Board Member

This session will discuss the final version of the Packaging & Packaging Waste Regulation (PPWR) for Europe, how the EU Member states are working on their roadmaps, a Scandinavian view on Sustainability and design standards, and some new innovative packaging innovations coming out of start ups in Israel.

TIME: 12.00 noon to 1.00 pm **SESSION 3: Country Trends & Innovations in Packaging Design**

Sriman Banerjee

Head of Diagnostics, Software Devices & Packaging
Takeda Pharmaceuticals

Nathalia Antoniazzi

Head of Secretariat
World Packaging Organisation (WPO)

Soha Atallah

Director & Founder - LibanPack
Vice President Marketing - World Packaging Organisation (WPO)

Patra Khunawat

Director / Co-Founder
Bangkokpack Co.

Pattra Maneesin PhD

Deputy Governor Admin - Thailand Inst. of Scientific & Technological Research (TISTR)
General Secretary - Asian Packaging Federation

This session will showcase innovative packaging designs and trends across Europe, Asia, Thailand, the Middle East and America. The panel will discuss trends in design and packaging including award-winning best practice examples from Asia Star and Arab Star Pack.

1.00 pm to 2.00 pm

LUNCH BREAK

#2024GPF #2024GLOBALPACKAGINGFORUM • **BOOK YOUR PLACE TODAY** •

2024 GLOBAL PACKAGING FORUM @PROPAK ASIA

DAY 1: WEDNESDAY 12 JUNE 2024 • SILK 2-4

TIME: 2.00 pm to 2.50 pm

SESSION 4: Digitisation, Artificial Intelligence, Traceability & Authentication

Michael Dossor MAIP
Managing Director
Result Group

Jorge Izquierdo
Vice President - Market Development
PMMI, The Association for Packaging & Processing Technologies

Gian Paolo Crasta
Executive Director
UCIMA

Andrew Manly
Communications Director
Active & Intelligent Packaging Industry Association (AIPIA)

This session will bring together leading experts from Italy, the United States, the Netherlands and Australia to discuss the intersection between Digitisation, Artificial Intelligence, traceability and authentication and packaging and processing machinery and materials.

TIME: 2.50 pm to 3.40 pm

SESSION 5: Food Packaging: Balancing Packaging Waste & Food Waste through Design

Tim Grant
Director & Founder
Lifecycles

Dr Johannes Bergmair MAIP, CPP
General Secretary
World Packaging Organisation (WPO)

Aslihan Arikan
General Secretary - ASD Turkish Packaging Manufacturers Association
Past President - Asian Packaging Federation

Huangyi Chen
Sustainability Manager, APAC South
SIG Group

This session will discuss how to find the balance between evidence-based Lifecycle Assessment, food safety, food waste and packaging waste and how packaging plays such an important role in this discussion.

TIME: 3.40 pm to 4.20 pm

SESSION 6: Trends in Sustainability & Recyclability for Paper & Renewable Materials

John Bigley MAIP
Managing Director
Zipform Packaging

Patinya Silsupadol
Head of Sustainability Team ASEAN
Tetra Pak (Thailand)

Juha Virmavirta
Director RafCycle™ Solutions
UPM Raflatac

James Scott
Executive Director
TerraCycle Global /Thai Foundation

When discussing sustainable packaging design you can not go past Paperisation, Renewable Materials and fibre solutions. The challenge is to ensure that the materials and packs meet pulpability standards or, when the materials are not able to be collected in kerbside collection understanding how to develop a product stewardship program to capture and reprocess the materials.

TIME: 4.20 pm to 5.00 pm

SESSION 7: Global & Regional Updates on the Circular Economy for Packaging

Richard Smith FAIP
Director of Sustainability
Amcor Flexibles Asia Pacific

Veronica Hong
Marketing
Sealed Air - Asia Pacific Region

Arpornrat Nantalaksakul PhD
Technical Manager
UBE Technical Center (Asia)

Nur Sutanto
General Manager Export Sales
PT Indopoly Swakarsa Industry Tbk.

This session will discuss the current state of play for Soft Plastics and flexibles packaging across the globe and how recycled content, mono material packaging and advanced and chemical recycling all have a role to play in the future of these materials.
