2026 DRINKTECH CONFERENCE

HELD ALONGSIDE:

**PROPAK
PHILIPPINES**

DATE: Friday 6th February 2026
TIME: 1:30 pm to 4:00 pm
LOCATION: Seminar Room B

The Drinktech Conference is a dedicated industry forum focusing on innovation in the beverage sector, with an emphasis on policies, technology, and sustainable packaging. Taking place within the framework of ProPak Philippines, the inaugural conference will bring together industry leaders, and brand owners to share practical insights and strategic perspectives shaping the future of the beverage industry.

The program will discuss key topics such as sustainable packaging innovations, recycle content, container deposit schemes, recycling and regulations, new packaging designs and trends in the beverage industry, labelling, materials advancements and more.

The conference also provides a valuable platform for knowledge exchange and networking, enabling participants to connect with peers and experts while gaining actionable insights to drive innovation and sustainable growth in the beverage industry.
