

Professor Pierre Pienaar MSc FAIP, CPP

**EDUCATION DIRECTOR - AIP
PRESIDENT- WORLD PACKAGING ORGANISATION (WPO)
DIPLOMA IN PACKAGING TECHNOLOGY TUTOR**

Pierre Pienaar's interest in packaging started in 1984 after having studied pharmacy. Soon after joining a large pharmaceutical company, Pierre became concerned about a number of packaging-related issues in the pharmaceutical world. This combined field has taken him to the far corners of the world, always involving one or other aspects of research in packaging. Pierre has a Master of Science Degree (Packaging Engineering/Technology) from Brunel University, UK. He also has a Master of Manufacturing and Production Degree from University of Hertfordshire, UK. He is a registered Certified Packaging Professional in over 60 countries. He lectures in the technology and science of packaging at 11 universities and institutions around the world for the past twenty eight years. He is regularly called to be an expert witness in court cases, due to his extensive experience in packaging science, packaging engineering and the technology thereof. He holds a professorship in Packaging Engineering and is the current President of the World Packaging Organisation (WPO).

George Ganzenmuller Dip.Pkg.Tech.FAIP, CPP

CERTIFICATE IN PACKAGING TUTOR

George Ganzenmuller holds a Bachelor of Applied Science (Food Technology) from the University of Queensland, a Diploma in Packaging Technology and a Diploma in Business Management. He has been instrumental in the AIP for over twenty years and is a Past President, State Chairman and National Board Director. George has worked in the packaging industry for over 30 years and has extensive expertise in primary and transport packaging, regulatory compliance for packaging, packaging systems and product innovation. George was also recognised for his significant contributions and extensive knowledge to the packaging industry and has been awarded the Founders Award and a Fellowship of the AIP. He holds multiple patents and has won numerous Packaging Design Awards. George is a qualified Certified Packaging Professional (CPP).

Ralph Moyle FAIP, CPP

EDUCATION COORDINATOR - AIP

Ralph Moyle FAIP, CPP, is an experienced food-packaging consultant with 40 years in the food processing industry and 30 years focused on packaging. Through a unique range of senior management experiences in Packaging, Operations, Technical and Quality Assurance in large and medium FMCG businesses, Ralph has brought increased value to many organisations through the value of smarter packaging at less waste. Ralph's packaging knowledge has resulted in successful contemporary designs and material selections, improved shelf life, lower material costs, shorter supply chains and environmentally friendly selections that have provided greater economic value. Ralph has been instrumental in training over 1000 people in the last 12 months in Sustainable Packaging, 2025 National Packaging Targets, Australasian Recycling Label and PREP. Ralph is a past National President of the AIP, a Certified Packaging Professional (CPP) and a Fellow of the AIP. He was also recently awarded the AIP Founders Award and the WPO Global Lifetime Achievement Award for his significant contribution to packaging education and training in Australasia.
