

NEW Packaging Pavilion at the 2024 Expo.

A partnership with the Australasian Waste and Recycling Expo (AWRE)
and Australian Institute of Packaging (AIP)

AIP invites materials & packaging companies to join us at AWRE 2024

Each year, as a key association partner of the Australasian Waste & Recycling Expo (AWRE), the AIP is delighted to announce the creation of a unique packaging pavilion for our members, industry partners, and aligned businesses.

If you've been eager to showcase your solutions and programs to the waste & recycling industries, councils, and government agencies, then the packaging pavilion is tailor-made for you. The AIP invites all materials & packaging companies to join us at AWRE 2024 and unlock the ultimate showcase opportunity with an exclusive package.

\$5,535

per participant

What does the Package include?

The Packaging Pavilion has been designed as a walk-on package that includes:

- Your company brand artwork is featured across a 2.5-meter back wall.
- Premium furniture setup including 2 x white high stools, 1 x high table counter, and a stand number signage.
- Customised digital print panel on a hanging board.
- Power and lighting set up that includes 2 x LED on the arm and 1 x 4-amp power outlet.
- Stylish carpet tiles for a high-quality flooring finish.
- Eye-catching signage: 1 x panel strategically positioned in the middle of your stand.

Who should Exhibit?

- Materials manufacturers
- Materials suppliers
- Packaging suppliers
- Packaging manufacturers
- Packaging manufacturers
- Design agencies
- Lifecycle assessment companies
- Product stewardship programs
- Consultants

Join forces with AWRE and AIP to elevate your brand presence and connect with key stakeholders in the industry. Reach out today to secure your spot in the Packaging Pavilion and let your innovation shine!
