

2026 GLOBAL PACKAGING FORUM @PROPAK ASIA

10 JUNE 2026
WEDNESDAY
10.30-16.30 hrs

 **JUPITER 8-10**
IMPACT

FREE TO ATTEND

Informa Markets, in partnership with the Australasian Institute of Packaging (AIP), is pleased to advise that the 8th Global Packaging Forum, will be held alongside ProPak Asia in 2026 on Wednesday the 10th of June.

The 8th edition of the Global Packaging Forum will be held on the 10th of June and speakers will provide global, regional and local views on a broad range of topics within the realm of packaging. Topics planned will include updates in global and local packaging and recycling regulations, how the world is shifting to Extended Producers Responsibility regulations and initiatives, how packaging design needs to move to be Recycle-Ready, how to understand how country-based regulations will affect design moving forward, the latest trends and innovations in sustainable packaging design, materials advancements, sustainable food systems and best practice examples from across the globe.

The one-day Global Packaging Forum will have simultaneous translation – English & Thai. All attendees will attain a Certificate of Attendance and points towards the Certified Packaging Professional (CPP) designation. Make sure that you have saved the date: 10th of June 2026 for the largest packaging conference held at ProPak Asia.

2026 GLOBAL PACKAGING FORUM @PROPAK ASIA

DAY 1: WEDNESDAY 10 JUNE 2026 • ROOM: JUPITER 8-10

POWERED BY:

10.15 am arrival for a 10.30 am start

TIME: 10.30 am to 11.20 am

SESSION 1:

Huangyi Chen
Sustainability Manager
SIG Group

Dr. Jack Chen
R&D Director
Amcor Thailand

Devaki Rajendran MAIP
APAC Regional Sustainability Manager
MCC Label

Wilsen Kannan AAIP, CPP
Assistant Packaging Manager
Vinda Malaysia Sdn Bhd (SEA HQ)

This session will discuss recycling, packaging & waste regulations in the Australasian region and how to re-design labels, materials & packaging to become recycle-ready, meet Extended Producer Responsibility (EPR) regulations and offer the lowest environmental impact. The panelists will also discuss the current state of play for sustainability and packaging regulations across the Australasian region.

TIME: 11.25 am to 12.10 pm

SESSION 2:

Gargi Pareek
Director - Government Affairs
(Indian Subcontinent), Tomra

Jean-François Roiron
Founder/Chief Executive Officer
Koor

Michelle Yu
Sustainable Manager APAC
UPM Adhesive Materials

Adam Waldron AAIP
Commercial & Business Development Manager
Caps and Closures

This session will discuss what sustainability and regulations look like from a label and adhesives perspective, the important role of caps & closures when designing for openability, accessibility and recycling, and the increase in re-usable & refillable solutions across the world. Container Deposit Schemes and tethered caps will also be discussed.

TIME: 12.15 pm to 1.00 pm

SESSION 3:

Nerida Kelton FAIP
VP Sustainability & Save Food
World Packaging Organisation (WPO)

Comm. Joseph Ross Jacson PhD, MNSA
Immediate Past President
Asian Packaging Federation (APF)

Vincent Teniere
Packaging Expert
Sidel South Asia - Pacific

This session will focus on Extended Producer Responsibility (EPR) regulations that are coming to all corners of the world. With EPR & Sustainability targets comes rethinking packaging design, reducing materials, lightweighting, using recycled content, improving waste management & recycling systems and more. Collaboration across all stakeholders in the value chain is key to success.

LUNCH BREAK: 1.00 pm to 2.00 pm
