Melways Reference: 58 C8

TIME:
10.00 am arrival for a 10.30 am commencement
Training will conclude at approx. 3.30 pm
Morning tea, lunch and afternoon tea will be provided

OVERVIEW OF THE COURSE :
Have you ever gone to a press approval and struggled to make the printer understand what you wanted? Do you want a basic understanding of what problems you are likely to encounter with each print process?

OBJECTIVE:
1. The print processes.
2. Print and other related problems you may encounter.
3. A simulated press approval process.
4. Further associated 'production quality' factors including Print technology advances.

As part of the session Andrew will show you how to use a linen tester (Eyeglass) which you will get to take away with you. He will also introduce you to the use of pantone charts books, colour densitometers and more.

This half-day training course will provide delegates with adequate information to be able to have an informed discussion with a printer on your requirements and needs.

WHO SHOULD ATTEND?
People likely to benefit from this course are packaging technologists, packaging designers, people involved in print sales and marketers.
