Dean Stockwell
General Manager
Food Standards Australia New Zealand

The importance of food packaging in food regulation – a new chapter: Dean Stockwell will firstly discuss the role of packaging with a focus on providing essential information to consumers and then discuss FSANZ's current work in assessing risk associated with food packaging interactions.

Gennady Volchek
Chief Executive Officer
Authenticateit

Establishing Track & Trace: Serialisation to gain complete traceability and enable authentication: Built around the strong foundations of GS1 EPCIS global standards, the Authenticateit platform is an advanced serialisation and track and trace solution, operated by brands via the back-end of the Authenticateit platform, allowing them to manage their brand protection, regulatory compliance and supply chain integrity. The front end, the free Authenticateit smartphone app enables consumers to check product authenticity, safety, recall status, warranty information and access further information about the product. Gennady will show you how to incorporate a serialisation and track and trace solution into your business.

*CPE points are used to maintain your Certified Packaging Professional (CPP) credential.
