

# MEMBERS ONLY VIRTUAL TOUR

AUSTRALIAN INSTITUTE  
OF PACKAGING

You are invited to join the AIP on a virtual tour of The Martogg Group

## WHAT:

The Martogg Group was founded in 1975 and has grown to become Australia's largest privately owned polymer distribution, resin compounding and plastics recycling company. Martogg consists of five business units each specialising in core market segments; uniquely positioning the business to support a wide range of tailored customer needs across various industries.

Martogg's LCM 'Life Cycle Management' Division is dedicated to providing businesses and brands throughout Australia and the world with an extensive range of recycled polymers both for industrial and in recent years, food contact applications.

Martogg LCM has recently joined forces with Sustainable Sally (former Brand Power presenter for over 20 years), a leading Sustainability Advocate. This new partnership provides a combined effort to bring awareness to the importance of the circular economy in Australia for converters, brand owners and consumers alike.

During the Virtual Tour Sustainable Sally and Martogg LCM are very proud to premiere a three part video series that will discuss the current state of the recycling industry in Australia, showcase the technologies involved, recycled polymers that are available and share the story of some great work already being done in this space.

**This virtual tour, for AIP Members only, will showcase the capabilities of the Life Cycle Management Division and the LCM Team will be available to answer questions during the tour.**
