

MEMBERS ONLY VIRTUAL TOUR

UPM RAFLATAC

You are invited to join the AIP on a virtual tour of UPM Raflatac

WHAT:

UPM Raflatac creates high-performing labelling materials for branding and promotion, informational labels, and labels with functionality. Using their expertise, they work with brands and businesses by providing labelling solutions that support creative product packaging design, meet business goals and reach towards sustainability targets.

Join the UPM team on this virtual tour to view why labels matter and how UPM Raflatac is your reliable partner in sustainable labelling. Today, UPM Raflatac manufactures a vast array of label stocks, and gives a unique insight into the importance of matching the right label with the packaging, particularly as they strive to help brands to reach towards sustainability targets like the 2025 APCO National Packaging Targets.

Their team of experts across the globe will be pleased to guide you through the optimum selection of label materials by balancing sustainability with high performing materials. They are looking forward to meeting you soon and sharing their vision of labelling a smarter future beyond fossils.
