WHAT:

Result Group is a leading supplier of innovative packaging equipment and materials, helping Australian businesses enhance efficiency in manufacturing and distribution. Among their advanced solutions is the Herma InNo Liner, a PIDA and WorldStar Awards 2024 winning labelling technology, that eliminates landfill waste by removing silicone, reducing disposal costs, lowering transport volume, and boosting material efficiency. Hanes Australasia, owner of brands like Bonds, Sheridan, Champion, and Bras N Things, is an early adopter of this system to meet its 2025 sustainability goals. Operating 24/7, the system provides labelling with no release liner, no silicone content, and zero waste disposal.
