

AIP STATE OF INDUSTRY WEBINAR: INTERPACK 2026 DISCOVERIES

WHAT:

interpack is Simply Unique. Held every three years interpack is the largest packaging and processing tradeshow in the world and brings more than 2700 exhibitors from 61 countries together for 7 days. In 2023 over 143,000 visitors from 155 countries headed to Dusseldorf, Germany to find the latest trends, technologies, materials and machines. The AIP will be well-represented at interpack and the June State of Industry webinar will allow you to hear from Members that visited the show and also participated in key forums during the week. The panel will discuss what they discovered, new trends, any exciting new materials or designs, systems and technologies and more. The webinar will explore the uniqueness of interpack and discover how many of the 18 Halls each panelist visited.
