AUSTRALIAN INSTITUTE OF PACKAGING

The Instituto de Embalagens in Brazil is pleased to announce the release of its 10th publication, Better Packaging. Better World. The Book is divided into 6 sections including the Introduction to the Packaging Universe, Packaging Materials, Packaging Types, Packaging Processes, Packaging Machinery and Sustainability and is full of illustrations and case study examples.

The book was organised by a multidisciplinary team designed to build a complete and organised work. Each chapter was written by invited authors that are specialised in each field and are respected in the Brazilian and world market.
