DISTINGUISHED SERVICE AWARD

The Distinguished Service Award shall be made by the National Board to Members of the Institute in recognition of their outstanding contribution to the advancement of the Institute, at either National or Branch levels.

Nominations for these Awards must be in the hands of the National Office by 30th of April of each year. If no nominations are received, then no Awards shall be made in the following calendar year.

It is not anticipated, nor intended, that Distinguished Service Awards will be made on an annual basis, as length of service to the Institute will be one of the criteria to determine recipients.

The President, Vice-President and National Executive Officer shall comprise an Evaluation panel to assess all nominations received and to make recommendations to the National Board not later than 30th of April, as to whether any of the nominees should receive the Award for that year.

The Distinguished Service Award shall be announced at the National Annual General Meeting of the Institute, and awards shall be presented at a suitable National function.

A suitable, inscribed certificate, shall be the token of the Award, the real value of which shall be the honour, rather than the token. The National Office will organise and print the Certificate.

The National Office shall be required to maintain a register of all recipients of Distinguished Service Awards.
