- Vietnamese & English

Phiên dịch đồng thời trực tiếp
- Tiếng Việt & Tiếng Anh

Informa Markets, in partnership with the Australasian Institute of Packaging (AIP), is pleased to launch the inaugural Hanoi Packaging Forum that will be held alongside the inaugural ProPak Hanoi trade exhibition.

The packaging forum will be held on Thursday, 15th of October and panellists will come from across the Asian region bringing global and local packaging expertise to this important educational event.

The packaging forum will cover a broad range of topics, including packaging waste and recycling regulations, extended producer responsibility, the move away from single-use plastics to renewable and fibre-based alternatives, mono-materials, recycled content, kerbside collection of materials, finding the balance between food and packaging waste and ensuring that packaging remains fit for purpose and functional, and more...
