

MEMBERS ONLY VIRTUAL TOUR

Close the Loop

You are invited to join the AIP on a virtual tour of Close the Loop

WHAT:

Close the Loop is one of Australia's leading circular economy companies. During this virtual tour AIP Members will be able to see how world-class product stewardship programs track hard to recycle products at end of life from collection, data capture, sorting, recycling and recovery. Attendees will see how products can be recovered and reused as a like product, or whether they are instead recovered for parts and/or recycling of raw materials. The products you will see being recycled include toner cartridges and bottles, cosmetics, electronics like power tools, and soft plastics from the Redcycle program. Finished products manufactured at the Close the Loop facility from these recycled materials include TonerPlas, rFlex and rFlexible. Join Close the Loop's passionate team of experts to get a rare insight into the rapidly developing circular economy and how we can divert problematic plastics from landfill.

WHEN:

Wednesday 9 February 2022

MEET THE CLOSE THE LOOP TEAM:

Steve Morriss
Founder / Head of Circular Economy Development
