YOU ARE INVITED TO JOIN THE AIP ON THE HENKEL VIRTUAL TOUR

OVERVIEW:

Join AIP and Henkel for a Virtual Site Tour showcasing innovative packaging solutions, automation, and sustainability initiatives across Australia, New Zealand, and the wider APAC region.

This webinar will take attendees on a guided tour of Henkel's packaging capabilities and facilities, combining real-world project examples and expert insights. A key highlight will be Henkel's collaboration with Opal on the Automated Hotmelt Packaging System, followed by an APAC-wide perspective on sustainable packaging.

The session will conclude with a live Q&A, giving attendees the opportunity to engage directly with Henkel and Opal experts.

WHAT ATTENDEES WILL LEARN:

- Henkel's role in the packaging industry across ANZ and APAC.
- Sustainable packaging initiatives and how Henkel supports customers' sustainability goals.
- An overview of Henkel's packaging portfolio, including solutions such as Technomelt®, Liofol®, Aquence® and EPIX® adhesives.
- Key operational benefits, efficiencies, and learnings from the Opal-Henkel partnership.
- A real-world case study of the Automated Hotmelt Packaging System, developed in collaboration with Opal.
- APAC packaging capabilities, footprint, and Henkel's Pathway to Packaging Sustainability.
- An introduction to Recyclability Lab, Henkel's innovation initiative focused on recyclability and circular packaging solutions.
